

The Interface Financial Group Customer Testimonials

"The recent expansion of our business has not taken place without challenges. Working with Interface Financial Group has given us the ability to take on new contracts and has provided us with the [cash flow](#) necessary to pay our vendors on time. Their timely and efficient service makes the factoring process almost seamless." –Jason Schmidt, President, Alliance Drilling, Victoria, British Columbia

"Without The Interface Financial Group we would have had a tough time finding funding for our contracts. You and your team go above and beyond in helping small companies meet their financial needs. I will recommend your company to everyone that I know who needs funding assistance, and look forward to working with you again." –Joseph H Haggler IV, President, Quartus Corporation

"IFG has become an important asset to our company." –Daniel F. Ortega, President, Nationwide Drywall

"We are very pleased with services provided by The Interface Financial Group. Transactions are simple to process and funding and rebates are received timely." –Mike Robertson, President, Trison Coatings, Inc.

"Services provided by IFG allowed us to capitalize on significant growth opportunities over a short period of time; tripling our workforce, and increasing our revenue tenfold." –Carol Craig, President, Craig Technologies

"Our company appreciates IFG's support and professionalism." –Steven Howard, President of Industrial, Support Services ISO 9001 Quality Assured

About The Interface Financial Group (www.ifgnetwork.com)

The Interface Financial Group (IFG) is North America's largest alternative funding source for small business, providing short-term financial resources including single [invoice factoring](#) (invoice discounting). The company serves clients in more than 30 industries in the United States, Canada, Australia and New Zealand, and offers cross-border transaction facilities between the U.S. and Canada. With more than 140 offices across North America and over 35 years of experience, IFG provides innovative invoice factoring solutions by offering short-term working capital to growing businesses. Spot factoring is an extremely fast way to turn receivables into cash.

IFG was founded in 1972 to provide short-term working capital to help small to medium sized businesses grow. The IFG organization operates on a local level, providing clients with local knowledge and experience and business expertise in numerous diverse areas including accounting, finance, law, marketing and banking.
